	This pull-down bed is hidden by attractive bi-fold doors when not in use. Custom designed for your space and style.	The time-tested Murphy bed mechanism with attractive hide-away bi-fold pocket doors that collapse into the bed cabinet sides.	Presidential indeed, with ample storage for books or collectibles. The bookcase doors effortlessly glide open on sturdy tracks.

## murphy vs. panel

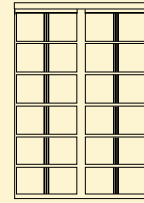

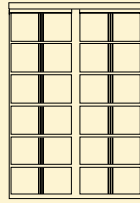

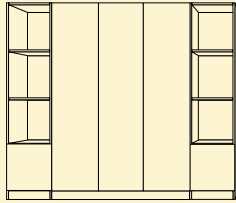

The **Murphy Bed** is a tried and true space saver. The spring loaded mechanism allows for easy single-handed operation and features a support leg that extends and retracts automatically. The Murphy bed's vertically stored mattress is either supported by our Comfort Flex Frame System (a series of pre-curved high strength wooden slats) or a Bunkie board (a cloth covered foundation). Each is designed to provide additional comfort and support for the mattress.

The **Panel Bed** maximizes space and offers a sleek, clutter-free design. These beds feature front panel doors that drop down with the bed and "disappear" under the mattress, allowing easy access to optional bedside cabinets. Each panel bed features one of two styles and includes spring loaded and cabinet-mounted bed mechanisms for effortless operation.

	Stylish and affordable. This Murphy bed – equipped with included functional side cabinets – turns any area into a space savvy guest room.	Stylish bookcase or cozy sleeper? It's both. Swing open the shelved doors to reveal the pull down bed inside!	Unique. Similar in look to the Madison. Bi-folding doors take up less wall space when open.

The panel bed saves even more space without the bi-fold doors. The panel drops down with the bed to become its mattress support.

Strikingly contemporary, with 1-1/8" wide verticals and built in drop-down nightstands; a great statement in your space.

Contemporary and sophisticated; this bed features built in drop-down nightstands and inset doors.
