■■■ unfinished, painted, & custom finishes

The More Space Place all-wood line is also available in unfinished cherry, maple, oak and rustic alder. Plus we offer endless options for painted, custom and designer finishes for our complete all-wood line. Custom paint shades matched to your specifications. See your More Space Place designer for more finish options.

Add the beauty and character of premium solid wood doors and trim work to your all-wood casework cabinets. Available in cherry, maple, oak and rustic alder, these solid wood doors add a touch of elegance to any custom furniture design.
